Through their projects, members experience career _____ and improve their _____ and creative thinking, _____ communication, practical _____, and real-world _____.

Youth _____ learn more about _____, the workplace, and _____ so that they can put themselves on the _____ to future success.

The FCCLA Career Connection national peer education program guides students to develop, plan, carry out, and evaluate projects to discover their strengths and practice career-ready skills. Through their projects, members experience career preparation and improve their critical and creative thinking, interpersonal communication, practical knowledge, and real-world skills.

Youth leaders learn more about themselves, the workplace, and careers so that they can put themselves on the pathway to future success.
