

Setting Up Your Breakout Boxes:

Set Your Locks:

- Directional Lock: Up-Down-Right-up-Left
- Three Digit Lock: 3-2-1
- 5 Letter Word Lock: 9-0-W-E-R

Print:

- Career Connection Fill in the Blank (Key Lock)
- Power of One Word Search (5 Letter Word Lock)
- Directional Maze (Directional Lock)
- Financial Fitness Word Puzzle
- Number Scramble Dial (Three Digit Lock)
- Program matching cards
- Hint cards (1 per team)
- Hint Page
- Lock Placement

Set-up:

- Cut-out and scramble program matching cards. Place inside box.
- Attach Lockout hasp to box and attach all four locks to hasp
- For gameplay, keep number dial and keys for when students solve puzzles
- Divide one of each puzzle, lock placemat, and one hint card into 4-6 different file folders (depending on how many teams you are making)

DURING GAME:

- Display Slideshow with Timer (Slideshow can be found in drive)
- When students use a hint card, refer to the hint page in the drive

Keep with you...

- An answer key to each of the puzzles
- The 3 number dial (Given to teams after they have solved the Financial Fitness Puzzle)
- Padlock Lock Keys (Given to teams after they solved the Career Connection Fill in the blank)
