

THE RED REPORT

WASHINGTON FCCLA—SEPTEMBER NEWSLETTER

Hello Washington FCCLA! The State Executive Council has been working hard on the planning the Fall Regional meetings, Virtual National Leadership activities, and many other things! This month Alyssa Lloyd, Briana Castro, and Calvin Wallace, would like to tell you what they have been up to since their time in office.

Hi there! My name is Madison Fairbanks and I am your Washington FCCLA state secretary! I am super excited to be serving this year! I am from Colfax High School in Region 9! I have been a part of FCCLA since my freshman year, despite my efforts to join in middle school. I not only participate in FCCLA, but also cheerleading, FFA, NHS, ASB! I love animals, I have two dogs, one cat and one bunny and I raise and show lambs! In my free time I love to watch shows or movies, right now I am working on Grey's Anatomy!

Enough about me... Here is what Alyssa Lloyd, the Vice President of Community Service, wants you, the members of Washington FCCLA to know...

As the Vice President of Community Service, I am in charge of promoting community service projects of Washington FCCLA members, encouraging volunteering, running Region 10's STAR Events, and creating a statewide service project for the 2020-2021 school year!!!

I've partnered with Jana's Campaign, a non-profit organization that educates on dating violence and advocates for victims of domestic violence.

They have generously supplied WA FCCLA with a \$500 grant for the state community service project.

I chose to focus this year's service on child and domestic abuse prevention. My goal for this year is to educate members on dating violence, relationship ethics, and the signs and resources for spotting domestic and child abuse!

With that being said, I created a series of monthly challenges that allow members to compete for awesome prizes.

These challenges will be featured on the state social media starting in October (domestic violence awareness month) and ending in March. All winners will be featured on the state Instagram and recognized at state!

Also, at the state convention, we are hosting the first ever Miracle Miles! Join us on the track as we run, walk or jog for a good cause. We are running for change and raising money for domestic violence and child abuse organizations.

Outside of FCCLA I live on a farm and am a 4 year FFA member. I have tons of animals and lots of patience! I also spend lots of time with my dad who restores vintage cars. I'm

pretty artsy too. I'm a volleyball player, an ASB officer, and a piano teacher! I also volunteer a bunch!!!

What I want you the members of Washington FCCLA to know about me is how excited and optimistic I am about this year. Especially with all of the activities I have planned.

Now lets hear from Briana Castro, your Vice President of Programs....

Apple cider and pumpkin pie! Fall is the time of yummy treats, cozy blankets, and new beginnings. Sometimes it can feel like a corn maze, but this newsletter (and the Washington FCCLA Website) are great ways to look for opportunities to become involved with Washington FCCLA. Don't *fall behind!*

Hey there! My name is Briana Castro, your 2020-21 State Vice President of Programs. My goal is to encourage WA FCCLA members to learn about our eight National Programs (their purposes, units, awards, and recognition available) and benefit off the skills from related projects.

This year, I have designed a state incentive to help you and your chapter with Leadership Exploration And Development (LEAD) Through National Programs. LEAD Through National Programs is extremely flexible and can meet your personal goals and needs with your participation. Go check out the Washington FCCLA website! (<https://wa-fccla.org/chapter-activities/>)

How do you participate? Well, get ready to LEAD through National Programs! Just follow these FIVE simple steps:

- 1. Decide who will be involved**
- 2. Research National Programs.**
- 3. Brainstorm your 3 projects**
- 4. Plan and Lead**
- 5. Fill out 3 verification forms**

Complete these five steps before *December 30th*. Once you or your chapter has completed three projects, your adviser will receive an email for a FINAL form that will ask for t-shirt sizes. Once that is done, participants (for all three projects) can now receive a free t-shirt and recognition at the 2021 SLC!

You can find several resources on the Washington FCCLA Website! I designed these with YOU in mind, please make sure to check them out!

- **Flyers for National Program**
- **Suggested Timeline**
- **Videos for National Program**
- **National Programs Workshop**

During the month of November, chapters should expect a letter. Remember, the deadline is *December 30th*. This letter will serve as a reminder and encouragement to start working on your projects. The design for the LEAD Through National Programs t-shirt should be released late January, along with the names of the participants. Follow Washington FCCLA on all social media platforms to be kept up-to-date!

I hope you have been inspired to participate in LEAD Through National Programs! I know I certainly have! On my FCCLA Instagram, @brianacastrofccla, I will be sharing my progress and tracking my goals. I am so excited to start this because it gives me the opportunity to connect with my Instagram

followers, address concerns that are important to me, and practice habits that can contribute to success in school and in my life.

If you would like to be a part of my journey, or if you have any questions, follow me on Instagram (@brianacastrofccla) or email me (bcastro@wa-fccla.org)! Please reach out for anything you might need!

*Leaf the doubt behind, be yourself, and go **BEyond MEasure!***
