State VP of Region 8 Highlight!

Hello Washington FCCLA! I'm the State VP of Region 8, Brynn Christensen, a senior at Royal High School. I enjoy drawing, sewing my own clothes, and golf. Recently my time has been spent completing art commissions for members of my community, producing a music video for my church, and working on college applications (I plan to major in animation/film)! I am looking forward to all 2022 has in store and am exciting for Region 8's Regional STAR Events on January 19th! To stay connected with Region 8, you can follow @wafccclaregion8.

Color Because We Care

This month's color is teal and white. Have you and your chapter wear teal and white and tag @washingtonfccla to get recognized.
