2027 Knowledge Test Study Guide

This study guide is designed to prepare State/National Officer Candidates for the Knowledge Test portion of the Officer Election process. The purpose of the knowledge test is to ensure that the students who will lead our organization have a general understanding of the history, purposes, and current events taking place in the world of FCCLA in Washington, and beyond. Please use resources such as the National FCCLA website (www.fcclainc.org), Washington FCCLA website (www.wa-fccla.org), Google, and any other classroom resources that will assist you in getting the correct answers to the study questions!

If a candidate has an IEP or any other disability which would prohibit them from taking a written exam, please reach out to the State Staff contact for alternate testing or study guide formatting options. We wish you the best of luck!

Happy Studying!
